

POLICIES AND PROCEDURES FOR CHILDREN'S & PRESCHOOL CHOIR

The Children's and Preschool Choirs of NGBC take place during the school year meeting in the educational building's bottom floor on Sunday Evenings @ 6:00pm. Preschool choir is available to 3-5 year olds and Children's choir is offered for 1st – 5th graders where they are taught not only about God honoring music but also about the truths of scripture relating to those songs. Once or twice a year the preschool choir will sing some songs they have been learning during an adult worship service and the Children's choir will do 2 or 3 musicals.

- If you are planning on attending, you'll want to arrive a little early and have someone direct you toward the educational building.
- This will last one hour while the evening worship service is taking place.
- The children can be picked up exactly where you left them.
