

POLICIES AND PROCEDURES FOR ROYAL AMBASSADORS (RAs)

RAs is offered for boys in 1st-5th grades on Wednesday Evenings @ 6:00pm on the top floor of the Educational building. RAs is a mission minded program. This is more than just a time for your child to be watched while you are learning in the Bible study hour. We feel that even young hearts can begin to understand the call God gives to go and tell the good news. Teaching and fun-filled activities are offered at this time to help them to understand the call better. Our boys will also schedule a sleepover where they will race their cars they will build earlier in the year. The class is equipped with plenty of male supervision who are devoted to teaching truth to the boys of NGBC.

- If you are planning on attending, you'll want to arrive a little early and any church member can direct you toward the top floor of the educational building.
- This will take place for one hour while the Wednesday activities are taking place.
- The children can be picked up where you dropped them off.

If you have any questions about security issues please contact the church or review the safety procedures located on the children's page of ngbc.org (coming soon).
