## We seek to minister to the whole family

We view ministry to children, not as a baby sitting service that allows your children to be "taken care of" while you go and listen to a sermon. We seek to minister to the whole family. The preschool ministry is a vibrant ministry with teachers who take care to teach children the foundational truths that they need to become Children of God, honoring Him in all things.

The elementary aged children actually join you in worship on Sunday mornings until a time in the service where they are dismissed. At this time a group of four adults will lead the children across buildings to the Children's Chapel to hear the same sermon text

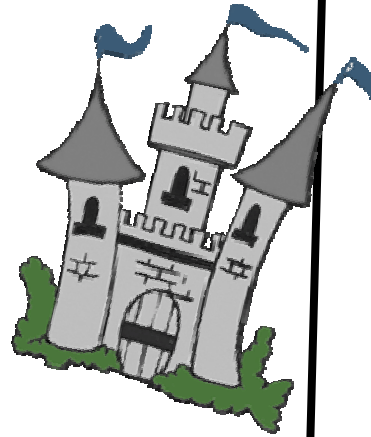

that the Pastor brings, only in a way that is easier for kids to understand.

These "Kids in God's Kingdom" also see a fun mission video each week that teaches them about how the gospel is being spread throughout

the world and how they too can be a part. Other weekly ministries include, Mission friends, Royal Ambassadors, Girls in action (all taking place on Wednesday @ 7:00 pm) and choirs for preschool and elementary aged children.

During the summer, many exciting children's activities take place. Our Vacation Bible School each year is a ton of fun. Dynamic music, fun games, and bible studies that come to

life all characterize parts of our VBS.

Also, during five Tuesdays of the summer, our children participate in exciting excursions to places like Fernbank museum of natural history, or Zoo Atlanta, or tubing down a small creek.

Most of all during these trips, we study God's word in a way that's easy for kids to understand.

Also available to 3rd -6th graders during the summer is a high energy 5 day camp. For more info, visit our website or contact Derrick Fielder.
